Kharkiv Morozov Machine Building Design Bureau (Ukrainian: Дніпропетровський машинобудівний завод) is a machine design bureau located in Kharkiv, Ukraine. It was founded in 1952 and is one of the largest machine design bureaus in Ukraine. It has a long history of working with various industries, including defense, aerospace, and heavy machinery. The bureau has a strong reputation for its expertise in machine design and manufacturing. It has a large staff of experienced engineers and technicians, and it has a modern manufacturing facility. The bureau is a member of the Ukrainian Machine Building Association and the International Association of Machine Building Design Bureaus. It has a long list of clients, including the Ukrainian government, the Russian Federation, and various international companies. The bureau has a strong focus on research and development, and it has a number of patents to its name. It is a leading provider of machine design and manufacturing services in Ukraine and the region.
