

the nurse mentor and pdf

the nurses and midwives of the future are fit for practice and purpose. The mentor is a key support to students in practice; this is where students apply their knowledge, learn key skills and achieve the required competence for registration. As a registered nurse or midwife it is likely that you will act as mentor and/or preceptor to a

Guidance for mentors of nursing students and midwives

Standards to support learning and assessment in practice. NMC standards for mentors, practice teachers and teachers

Standards to support learning and assessment in practice

and responsibilities of the mentor in supporting pre-registration nursing students in clinical practice. The professional obligations for the mentor to meet the Nursing and Midwifery Council (NMC) standards (NMC, 2008a.) will be explored, including the on going requirements to keep up to date in mentoring practices.
